

Seattle Study Club of Southern Colorado

April 15, 2019

Dear Southern Colorado Dentist,

Spring Greetings! I would like to invite you to join the Seattle Study Club of Southern Colorado for the 2019-2020 season. This letter will give you details about our exciting 2019-2020 season. I would like to thank all of the current members for another great year as we have expanded our learning to better ourselves as clinicians. I would also like to thank our member specialists who presented this season – Drs. Kim Batterson, Tyler Boss, Michael Kunkel, and Jim Zuichkovski.

The Seattle Study Club continues to be one of the most sought out national dental study clubs to join and it has grown into an international network of dentists who are committed to enhancing their dentistry through collaborative learning. The Seattle Study Club has several aspects to offer members, but perhaps the most valuable is a local group of area dental professionals who meet regularly to learn together, share practice ideas, and treatment plan patient scenarios in a comprehensive manner. Our club is comprised of fantastic general practitioners and several specialists from multiple disciplines including periodontics, oral surgery, orthodontics, endodontics, pedodontics, and prosthodontics.

Over the last two years of leading the club, we have forecasted with fresh perspectives and become well-rounded practitioners. The theme for the coming year is ***Expanding Our Boundaries***, as we will explore alternative treatments for orofacial pain, learn about 3D printing technologies, and perform hands-on exercises for sleep apnea devices.

For our staff day this year, Ms. Char Sweeney will help teach us and our teams how to say it right the first time. I encourage you to RSVP early for this event so we ensure we have adequate space and accommodations for everyone.

I also want to thank our dedicated vendors who help make these events even more of a success. Ent Credit Union, Carr Healthcare Realty, Komet, Kururay, and Kettenbach have been wonderful to work with, and I hope you as members have been able to benefit from their services or products. For the coming season I am happy to announce a **reduction** in tuition as we have received generous sponsorship from Dentsply Sirona, Ent, and Carr Healthcare realty. If you sign up by July 16, 2019 the season will be \$1950.

My goal is for every member to feel comfortable contributing and sharing patient scenarios and office experiences. I welcome feedback and suggestions at any time, and if there is anything different you feel the club would benefit from please let me know. Please see the attached registration form and schedule for the 2019-2020 year. I hope you will choose to be a part of the Seattle Study Club of Southern Colorado!

Sincerely,

Emily R. Batson DDS, MS - Director
